

CURRICULUM VITAE.

PERSONAL DETAILS.

Full name: Samuel Robert Campbell

DOB: 15 December 1963

Place of birth: Kilkeel, N. Ireland

Address: 141, Harbour Road, Kilkeel
County Down, N. Ireland, BT34 4AU

Marital status: Married

State of health: Good

Contact number: 07834272561

Email: sam@mournemarinesurveys.com

EDUCATION AND TRAINING QUALIFICATIONS.

- **1968 – 1973.** Victoria Primary School, Ballymartin.
- **1974 – 1975.** Kilkeel Primary School.
- **1975 – 1980.** Kilkeel High School.

Note: While attending high school, I secured an apprenticeship with a local garage. During my final year at school, the garage owner suffered a heart attack and they required me to start work immediately. I did so, rather than lose my placement. However, this meant that I left school with no qualifications.

- **1979 – 1983.** Newry Technical College. Awarded City and Guilds in Motor Vehicle Technology, Parts 380 and 381. Of the four exams taken I obtained one Distinction and three Credits.
- **1987.** Department of Trade and Industry – Certificate of Service, Engineer Officer – Class 1 (Fishing Vessel) Certificate No 174.
- **1988.** Cummins Marine – Marine Certified Application Engineers Course. I finished second in class.
- **1999.** Cummins Marine – K/KV Engine Series Level Two Technicians Course. I finished second in class.

- **2005 – 2006.** Lloyds Maritime Academy/National Sea Training Centre – Diploma in Small Craft Surveying. Passed with Merit. Specialist module – Fishing vessels. Engineering Module – Grade A.
- **2006.** Accepted into the Institute of Marine Engineering, Science and Technology (IMarEST) Membership number: 8000737.
- **2007.** Registered with the Engineering Council (UK) as Engineering Technician (Eng Tech/MarEngTech) ECUK Membership number: 566317
- **2007.** Selected by the Maritime and Coastguard Agency (MCA) to conduct L.O.L.E.R. inspection and testing of vessels in Northern Ireland.
- **2008.** IMarEST membership upgraded to Associate Member (AMIMarEST) Approved for seat on Committee of Northern Ireland Branch.
- **2012.** Enrolled in Master of Science Degree (MSc) in Marine Surveying. A distance learning programme hosted by Lloyds Maritime Academy and Middlesex University, London.
- **2013.** Completed a City and Guild in Ammonia Handling. (C&G 2078 – 2)
- **2014.** Completed MSc. Module Grades below:
 - Ship design and the impact on the Marine Surveyor (Grade 3)
 - Management skill for the Marine Surveyor (Grade 7)
 - Applied Project - *Diesel Electric versus Diesel Mechanical Propulsion in Fishing Vessels.* (Grade 9)
Grade 1 to 3 is Distinction. Grade 4 to 7 is Merit and Grade 8 to 13 is Pass.
- **2014.** Completed Certificate in Marine Incident Investigation. (Maritime Training Academy)
- **2014.** Completed Certificate in Cargo Surveying. (Lloyds Maritime Academy)
- **2014.** Enrolled in Lloyds Maritime Academy to do a Diploma in Marine Engineering. Completed January 2016.

- **2015.** IMarEST membership upgraded to full member. Application for upgrade of professional status to Chartered Marine Engineer approved on 1st October 2015.
- **2015.** Began Marine Inspection of Small Workboats (MISW) survey of local fishing vessels for Sea-Source Offshore. This in preparation for supplying these vessels to Cable Guard Vessel duty.
- **2015.** Completed BTEC Level 3 in Education and Training.
- **2015.** Became Approved Instructor for delivering the following Sea Fish Industry Authority training courses:
Health and Safety (new entrants)
Safety Awareness (experienced fisherman)
Engineering.
- **2016.** Completed Diploma In Marine Engineering.
Grade average over four TMA's 76% - Pass with Merit.
- **2016.** Completed registration with IIMS as an Accredited Vessel Inspector. Accredited in Marine Inspection of Small Workboats (MISW). This for the vessel inspection process with International Marine Contractors Association (IMCA) AVI number 00264.
- **2017.** Approved as Full Member of International Institute of Marine Surveying. Membership number C1211.
- **2018.** Joined MECAL (Marine Engineers Certifying Authority Limited) as Marine Surveyor (present grade A2)

RECENT TRAINING:

Date	Provider	Description	CPD points
11+12/2/19	IIMS	Two-day training as per certificate pg 14	
8/4/2019	IIMS	Tonnage measurement training	
2/2/2021	IIMS	Online report writing webinar	5
22/2/2021	IIMS	Online CA training webinar	5
19/5/2021	MSA	AVI Revalidation training	5

EMPLOYMENT.

- **1979 – 1981.** Vehicle repair apprenticeship with A. McBurney. Due to the owners continuing ill health, the business ceased trading.
- **1982 – 1985.** Employed as Marine Engineer with Albert Annett and Sons.
- **1985 – 1987.** Employed as second engineer on Pelagic trawler MFV Spes Magna.
- **1988.** Returned to employment with Albert Annett and Sons.
- **1989 – 1991.** Returned to Spes Magna and subsequently Voyager K. I left Voyager K to return ashore due to the ill health of my child.
- **1991 – 2010.** Set up and ran my own Marine Engineering repair business.
- **1998 – 2010.** Northern Ireland (East Coast) representative for Cummins Marine.
- **2005 – 2010.** Part time Marine Surveyor for both J.H. MacIlwaine and Son and James Maxton and Co, both in Belfast Port. During this time, I completed in excess of 150 jobs for these companies. Typical jobs were cargo discharge and/or damage, draught survey of bulk cargo and vessel or machinery damage.
- **2009.** Began Marine Surveying under my own name of Mourne Marine Surveys Ltd. I have been instructed by most of the main fishing vessel insurers and have also completed Condition and Valuation Surveys for local and national financial institutions.
- **2010.** Rejoined Voyager Fishing Co to replace their Chief Engineer who subsequently retired in 2011.
- **2015.** Left Voyager Fishing Co to work full time as a Marine Surveyor in my own company.

KNOWLEDGE & SKILLS:

Various roles within the Marine Surveying sector:

- Hull and Machinery damage.
- Cargo damage.
- Fishing vessel Condition Survey and valuation.
- Fishing vessel pre-purchase surveys.
- Safety inspections (Marine Inspection of Small Workboats/CMID) for International Marine Contractors Association (IMCA)
- Marine Engineering consultancy.
- Acoura accredited auditor for fishing vessel Responsible Fishing Scheme programme.

27 February 2019

Dear Mr Campbell,

MECAL Letter of Authority

The Mecal Professional Standards Committee has reviewed your application for Mecal Authorisation and I am pleased to advise that authority has been granted by MECAL for you to carry out professional work on behalf of MECAL.

- Your appointment is:-
- MECAL Surveyor
 - Surveyor Grade A2

Included with this letter is:-

- Your Mecal Authorised Examiners stamp, please use this to endorse SCV2's at annual/intermediate surveys.
- Your accreditation matrix which details the type of vessel & the type of work that you are authorised to perform on behalf of Mecal. Please Note: A suffix "S" in a box in the appointment matrix denotes that such work should be conducted under supervision as directed by MECAL Technical Department.
- Definitions of Surveyor types, grades and the appropriate experience/qualification are also attached for your reference.

In addition, we will send via email the following documents to assist you when carrying out surveys on behalf of Mecal:-

- Mecal Advice Note for Newly Appointed Surveyors.
- Survey Procedures (this document can also be found on our website).
- Example pack of Mecal Survey Reports.

Please read through these documents carefully and give us a call if you have any questions.

For additional technical guidance please visit our website and click on surveyors' login:-

- username: mecal
- password:

This authorisation is valid until 01 December 2019 and is conditional on the following:-

1. Your Professional Indemnity Insurance is provided by MECAL and examinations are directly sub-contracted from MECAL.
2. You must also carry your own PII at a level appropriate to the work undertaken for MECAL.
3. Any actual or potential PII claims are immediately brought to the attention of MECAL.
4. You undertake appropriate Continuing Professional Development during the term of this authorisation.
5. You undertake to disclose, on submitted documentation/reports etc, all relevant information to enable MECAL to exercise correct judgement in scrutinising and processing such documentation.
6. You undertake to comply with MECAL Quality Control Procedures with regard to the conduct of surveys and reporting.
- 7.

When allocating work we take in to consideration the level of Professional Indemnity cover personally held. We note that your Professional Indemnity Insurance cover is quite low. We would strongly advise that you review your limits of liability to
